Overview

Commitment to safeguarding: Harmony Adult All Ability Orchestra believes that a child, young person or adult at risk should never experience abuse of any kind. We recognise that we have a responsibility to promote the welfare of all children, young people and adults at risk. We are committed to safeguarding the well-being of all children, young people and adults at risk we come into contact with and to protecting them from harm.

Purpose and Aim of this Policy

The Harmony Adult All Ability Orchestra is a not-for-profit community orchestra which comprises adults (18 years and above) of all musical abilities at an amateur level. Members may come in to contact with children and/or adults at risk through musical performances (generally twice a year). All members attend on a voluntary basis. The Harmony Adult All Ability Orchestra is committed to protecting children and adults at risk who perform or work with the group and will respond to any concerns appropriately.

This policy applies to all members, including the Musical Director and volunteers of the Harmony Adult All Ability Orchestra and including those taking part in Harmony Adult All Ability Orchestra activities. This policy will be reviewed annually as part of the AGM and an electronic copy will be displayed on the orchestra's website.

This policy recognises vulnerable people as:

- Children up to the age of 16 or young people aged 16-18.
- Adults aged over 18 at risk as defined by the Safeguarding Vulnerable Groups Act 2006. This might include adults with a learning or physical disability, a physical or mental illness, chronic or otherwise, including an addiction to alcohol or drugs, or reduced physical or mental capacity. This policy also recognises risk is determined by the activity an adult is taking part in and not solely on the personal characteristics or circumstances of the adult, as such any adult can be at risk, and the risk can be temporary.
- This policy aims to:

- Protect children, young people and adults at risk who are; members of, receive services from, or volunteer for, Harmony Adult All Ability Orchestra.
- Ensure members, staff and volunteers working with children, young people and adults at risk are carefully recruited and understand and accept responsibility for the safeguarding of those vulnerable individuals they are interacting with.
- Ensure that safeguarding of children, young people and adults at risk is a primary consideration when Harmony Adult All Ability Orchestra undertakes any activity, event or project.

How Harmony Adult All Ability Orchestra might work with vulnerable people:

Membership is open to those over 18 years of age. We run regular rehearsals for members and put on concerts for the general public. As such our involvement with vulnerable people might include, but is not limited to:

- Members of the group who attend rehearsals and concerts
- Relatives and friends of members who attend rehearsals and concerts in a volunteering capacity
- Audience members at public concerts

Named safeguarding person: Rachel Hiscocks (Treasurer) has responsibility for safeguarding issues. All queries and concerns relating to safeguarding should be referred to Rachel Hiscocks in the first instance.

Any projects, events or other activities that will involve vulnerable people must be planned with the involvement of Rachel Hiscocks and in line with established procedures and ground rules (see below).

Procedures and ground rules: A further document – ‘Ground rules, ways of working and procedures’ is available and forms part of this policy.

Policy review: This policy will be reviewed and amended (if necessary) on an annual basis by the Committee. It will also be reviewed in response to changes in relevant legislation, good practice, or in response to an identified failing in its effectiveness.

Recruitment practices around safeguarding

If an existing or potential new member, staff member or volunteer will be working with vulnerable people as part of the Harmony Adult All Ability Orchestra activities the appropriate level of DBS will be requested before that work is undertaken.

The level of DBS check required will be decided by the committee and in line with DBS rules regarding regulated activity. The results of any check to inform a decision will be used confidentially and in line with the Harmony Adult All Ability Orchestra equal opportunities policy.

Ground rules and ways for working regarding safeguarding of vulnerable people

When Harmony Adult All Ability Orchestra organises an activity or event where they will be responsible for vulnerable people they will ensure:

- Planning is carried out in line with this policy and procedures.
- Children or adults at risk will perform as part of the full ensemble or a subset of the ensembles but not on a one-to-one basis;
- For musical performances, all members including children and adults at risk will dress in appropriate orchestral attire (for example, formal shirt and trousers or knee-to-full length skirt or dress);
- Communication of rehearsal dates, performance venues and any other relevant information will be sent directly to the parent or guardian of child or adult at risk orchestra members, normally via email;
- The event is attended by an appropriate number of DBS checked adults – this will be a minimum of one but more when practically possible.
- Where practically possible the total number of adults in attendance (not necessarily DBS checked) compared with the total number of children will be in line with Ofsted recommendations.
- There is a main contact for safeguarding on the day; this will be an individual who has been DBS checked.
- The main contact has access to emergency contact details and other relevant details (e.g. information about picking up arrangements for vulnerable people).
- That if vulnerable people of different gender will be taking part in activities adults of different gender will be in attendance too.
- A vulnerable person is not be left alone with an adult, unless that adult is DBS checked and carrying out regulated activity.
- Two adults (one DBS checked) should be the last to leave a venue once the activity has finished and will be responsible for ensuring vulnerable people get home safely.

Working with parents/guardians: If a vulnerable person wishes to take part in Harmony Adult All Ability Orchestra activities written permission (email is acceptable) should be obtained from parents/guardians where appropriate, and before the activity takes place.

Written permission should include: emergency contact details of any relevant pick-up arrangements – including permission for another adult to pick up the vulnerable person after the activity has finished.

Procedures for raising safeguarding concerns and incidents of abuse

- If any member, staff or volunteer in Harmony Adult All Ability Orchestra witnesses, suspects or is informed of a witnessed or suspected case of abuse they should immediately report it to the named safeguarding officer, Rachel Hiscocks.
- If the named person is not available, or is involved in or connected to, the abuse, it should be reported to Pip Gilbert (Chair) or a DBS checked adult.
- If an individual wishes to report an incident of abuse against themselves they should report it to the named safeguarding officer or an individual they trust.

Procedures for dealing with concerns and incidents of abuse

The Named person (or person reported in their absence) will first make a decision based on the immediacy of the concern and the following two factors:

1. If the vulnerable person is in immediate danger or needs emergency medical attention – call the police and/or ambulance service.
2. If the person at the centre of the allegation is working with vulnerable persons at the current time – remove them, in a sensitive manner, from direct contact with vulnerable people and follow the procedures below.

If none of the above applies the named person will:

- Make a note of the concerns reported to them.
- Speak with committee members to decide how to handle the reported abuse, excluding any committee members who are involved in the incident.
- Escalate the report by either:
 - Raising concerns with the police – for serious or possible criminal offences.
 - Requesting an assessment by the local authority social care department about whether a vulnerable person is in need of protection.
 - An internal investigation – for less serious incidents where they feel internal mediation will be successful.
- Where cases are escalated the committee will cooperate with the police or local authority in dealing with the reported incident.
- Where an internal investigation takes place the committee will:
 - Inform all parties involved of the reported abuse as soon as possible.
 - Inform the family/guardians of the person reported as being abused of the incident.
 - Arrange separate meetings with both parties within 10 days of the reported incident. A joint meeting may be arranged if appropriate.
 - Both parties should be given the chance to bring a friend or representative to the meeting.
 - Meetings will be attended by the named safeguarding officer and at least one other committee member.

- All parties will also be invited to submit a written statement in advance of the meeting.
- Once meetings have taken place the committee will decide on next steps and communicate them to all parties in writing within 5 days. They will be either:
 - Escalate the incident to the relevant authority.
 - Further investigation – with established procedures and timelines to work towards a resolution.
 - A decision or resolution.

Resolution and disciplinary action

- If abuse is found to have taken place any final resolution or decision will be taken in the best interest of the person who has suffered the abuse and the best interests the Harmony Adult All Ability Orchestra.
- Any disciplinary action will be taken in line with the Harmony Adult All Ability Orchestra constitution.
